**NEW BUSINESS:**

1. **Registration Late Fee:** Mr. Soltis stated this would be more like a price raise on sports if registering after the deadline. Ms. McCoy stated she would like to implement this for the winter sports registration. Mayor Garlich recommended doing a \$20 increase on sports fees if registering after the deadline.
2. **General Discussion:** Ms. McCoy stated the grant for the line robot is still being written but they have a meeting with the Bureau of Workers Comp next week. The lease for the line robot would include the paint that is needed to paint the fields. Ms. McCoy stated last year \$2,500 was spent on paint and this year they have already spent \$1,700 so the line robot would be cost efficient as well as effective for the fields.

Ms. McCoy stated Jennifer Miller received musical instrument donations to the Huskie Locker but they need \$475 worth of repairs. Ms. McCoy stated she does have someone that wants to use the trumpet and the clarinet. Mr. Soltis stated he will check with the Music Boosters to see if they can accept donations to get the repairs needed.
